

STEAM ENGINE IS ABANDONED

**Bamberger Line Abandons Use of
Locomotive on Lincoln
Avenue Line.**

Hereafter the Salt Lake & Ogden will be operated along Lincoln avenue by electric power exclusively. That is the statement made by Simon Bamberger yesterday afternoon.

Even the first train to move over the line each day, which has been propelled by steam during the cold period, will be pulled by electric motor car.

There has been some objection to the use of steam on the Lincoln avenue line, and to satisfy this protest, Mr. Bamberger has ordered the steam engine withdrawn entirely unless in case of threatened blockade during snow storms, when it may be absolutely necessary to open the line by the temporary use of a locomotive.

NEW RAILROAD IS ASSURED IN IDAHO

Another railroad line is assured for Boise and other Idaho towns. In the filing of articles of incorporation yesterday of the Central Idaho Railroad company, officered by local officials of the Oregon Short Line Railroad company, and with W. H. Bancroft as president. The railroad will be about 220 miles in length, and is capitalized for \$220,000, the shares valued at \$100 each.

Officers of the Central Idaho Railroad company are: W. H. Bancroft, president and director; J. A. Reeves, vice president and director; C. H. Jenkinson, treasurer; G. K. Smith, secretary. The directors, besides Mr. Bancroft and Mr. Reeves, are William Ashton, P. L. Williams and F. H. Knickerbocker. Headquarters in Utah will be maintained at Salt Lake, and Pocatello will be headquarters for the road in Idaho.

The company will start its line from the Oregon Short Line at a station known as Owinza. It will run through Lincoln county, northwest through the Big Wood River valley to the divide between the Boise and Big Wood rivers, then passing through the city of Boise to the town of Middleton, on the Boise river, and then on to Payette, Canyon county, where the branch line will again connect with the Short Line.

The Central Idaho company will be but a branch of the Oregon Short Line, and controlled by the general policies of this company. It is believed from the fact that all of the officers and directors are prominent officials of the Short Line in Salt Lake, and that W. H. Bancroft, as trustee, holds 2,195 shares of stock of the new railroad company, representing \$219,500 of the total capitalization of \$220,000.

In the 220 miles of the new line, Lincoln, Blaine, Elmore, Ada and Canyon counties will be traversed. It has been known for some time that the new road would be a matter of the very near future, but the filing of the articles of incorporation assures its construction during 1910 and 1911.

DIX-LOGAN RELIEF CORPS HAS SALT LAKE GUESTS

The Dix-Logan Relief Corps No. 2 held its regular meeting Feb. 4, in the K. of P. hall. The meeting was a very interesting one, as the National Junior Vice President Mrs. Jennie L. Jones of Salt Lake City had been appointed to inspect the corps, which was done in a very able manner. Mrs. Jones gave many words of praise for the very able manner in which all parts were taken. Mrs. Jones and Past President Short were met at the depot by President Mrs. Williams with a committee of the corps and escorted to the beautiful house of the president, where nothing had been spared, as the house was one bower of cut flowers and potted plants. Covers were laid for eight. A bouquet of carnations were laid at each plate. The corps escorted the guests to the depot.

ANOTHER OGDEN YOUNG MAN WITH TITLE OF DOCTOR

Dr. Paul Ingebreten, an Ogden young man, has returned home and has now opened an office in the Eccles building.

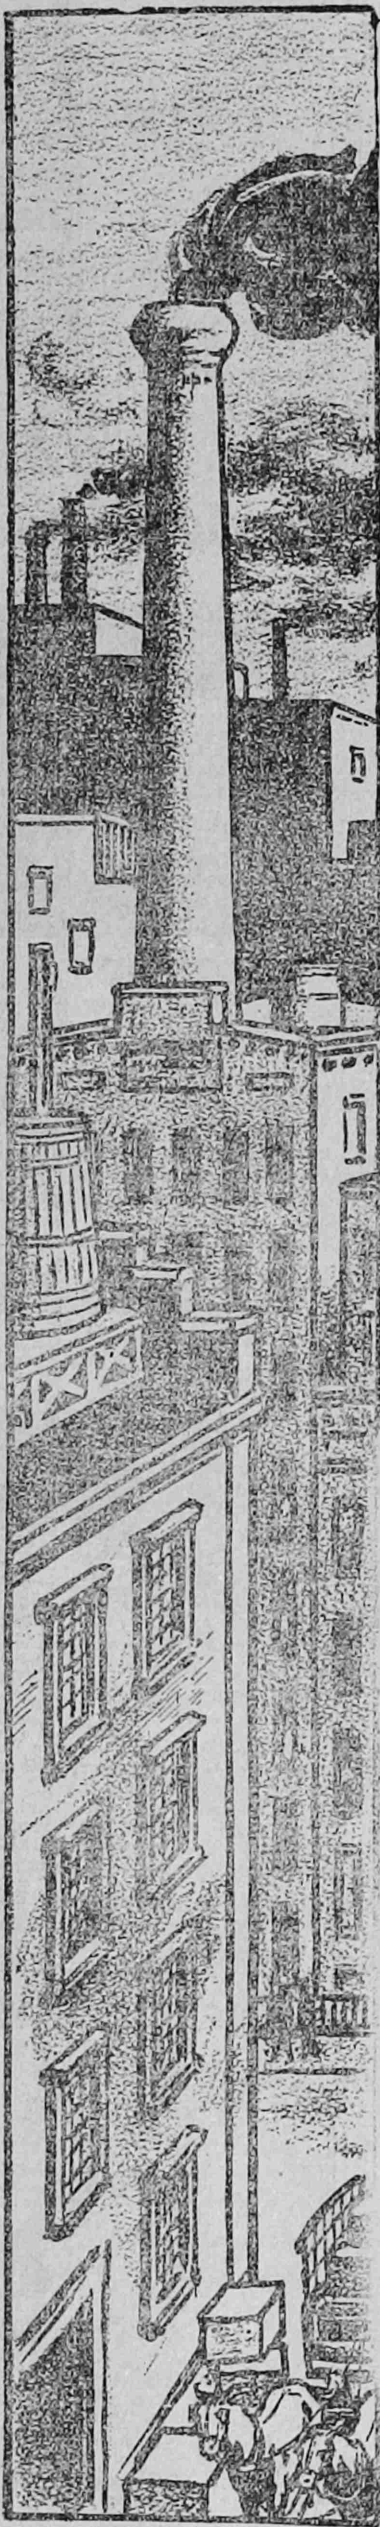

Dr. Ingebreten completed a four-year course at the Northwestern University medical college at Chicago, recognized as being one of the leading schools in the country in this line of work. He graduated nearly two years ago with high honors and then practiced his profession in the state of Illinois. He now has decided to come home to practice and, equipped as he is, should be well received.

He was reared in this city and before going east attended the local schools, and for a time was employed by our local merchant, E. A. Olson, and the First National bank.

MILL-END SALE

ONE MORE WEEK

The store was crowded yesterday, Saturday, with buyers attracted by the MILL-END SALE.

We've bought from the mills thousands of odd lengths---we're selling them cheaply now to convert this usually dull month into a busy one.

REMNANTS FROM ALL DEPARTMENTS

Remnants gathered by the hundreds during sales like our January sale just completed, and now we have these to dispose of---Not only good goods---but remnant stock in all departments.

Beginning Monday Morning and Continuing Until Saturday Night We Are Sort of "Cleaning Up of the January Sale"

THOUSANDS of HANDY PIECES AT MERE FRACTION of the ACTUAL VALUE

These Mill-Ends will be displayed on the tables in the middle aisles, where large tables are now being arranged---there they will be spread out so that you may see the entire stock and practically serve yourselves to those pies which appeal to you.

Remember, that while these are mill-ends, they are not the worthless pieces sometimes offered by this name. In nearly every case the pieces are of right lengths for the garments usually made of these kind of goods.

One Lot of Ladies' Coats, Capes, Skirts, and Misses' Coats worth to \$25. All Offered at.

\$5.00

These are the goods which have been displayed in the corner window---these, of course, are not mill-ends, but goods which have been in our stock all of this season and possibly part of other seasons.

There are some coats and capes in the lot really worth \$25.00, which will be offered at \$5---of course, there is but a limited number. Among other things there are in the lot the following: New dress skirts, worth up to \$8.50, for \$5.00. Silk petticoats, a variety of colors, worth up to \$7.50, for \$5.00. Slightly soiled opera coats and capes, worth to \$25.00, for \$5.00. Fine black capes in black and military styles, worth \$2.50 and \$25.00, for \$5.00. Misses' suits---this season's Peter Thompson styles---worth \$9 to \$12.50, offered at \$5.00.

LADIES' TAILORED SUITS ONE-HALF PRICE.

To dispose of every suit in the store we offer our entire latest stock---and there are some beauties in the lot---at just half the price marked.

Mill-End Sale of Undermuslins--Less Than Half

During the Mill-End Sale we will offer a lot of undermuslins left from the White Sale, which have been slightly soiled from being displayed on the tables---these are easily the best offering we've made this season

DRAWERS---Nainsook, hand embroidered flounce, trimmed with fine val. lace, garter style, tied with fine wash rib. \$1.48

DRAWERS---Embroidery and lace trimmed flounce, umbrella style, nainsook and fine grade muslin, \$1.50 values for.....74c
